Current Responsibility

Leah Windt is a consulting actuary with the Milwaukee office of Milliman. She joined the firm in 2017.

Professional Work Experience

Leah's area of expertise is property and casualty insurance with a focus on loss reserving, pricing, and modeling tort reform/legislative impacts. She has experience in various property and casualty lines of business, most notably medical professional liability, workers' compensation, and credit risk. Leah has provided actuarial assistance to risk-bearing entities in both the private and public sector. She has assisted clients with assignments including:

- Conducting loss reserving for primary writers and self-funded entities
- Performing ratemaking/pricing analyses
- Modeling the impact of proposed legislation
- Preparing captive feasibility studies
- Preparing Statements of Actuarial Opinion

Professional Designations

- Fellow, Casualty Actuarial Society
- Member, American Academy of Actuaries

Education

BBA, Actuarial Science and Risk Management/Insurance, University of Wisconsin - Madison
